Care to Share Assistance

Assistance is available for youth through 17 years of age who reside in the Pullman School District, Senior Adults 60 years of age and older, and disabled adults who reside within the City of Pullman. Care-to-Share is based on a 50% match.

Youth may apply for one activity per person per brochure with 50% of the activity fee supplemented from the Care-to-Share Fund with a maximum of $40; or apply for two activities per person per brochure with 50% of the activity fee from the Care-to-Share Fund with a maximum of $20.

Senior Adults 60 years of age and older, and disabled adults may apply for one activity per person per brochure with 50% of the activity fee from the Care-to-Share Fund with a maximum of $20

To be eligible, participants must receive assistance through one of the following programs: Free School Lunches, Food Stamps, AFDC, Medicaid, subsidized housing, or energy assistance.

Request for assistance requires a 24-hour response period.

Care to Share Contributors

You can help a Pullman youth or Sr. Adult participate in our recreation programs by donating to the "Care to Share" scholarship program which is for low income individuals.

You can designate your gift to a particular youth, Sr. Adult, or family as you please. The "Care to Share" program is a great community project for businesses, clubs, or families.

All funds received go directly to assist those who otherwise could not participate in our activities.
