

2016 CITY COUNCIL GOALS

1. Continue to support the Pullman-Moscow Regional Airport Runway Realignment project and efforts to secure funding for the local match, including Pullman's commitment of \$2.5 million.
2. Continue to pursue the wastewater reuse project, including irrigation of City park grounds, Pullman School District grounds, and WSU green spaces and industrial applications.
3. Continue to promote economic development opportunities to increase the retail sales tax base and job creation through a broad range of initiatives in partnership with various agencies, groups, and entities. Hold joint meetings annually with the Whitman County Commissioners and District 9 State Legislators; meet in both spring and fall semesters with ASWSU; meet in an informal setting with Moscow City Council.
4. Continue to improve bicycle and pedestrian trails, including appropriate recommendations from Civic Trust, the WSU Bicycle and Pedestrian Plan, and others. Continue to enhance bicycle accommodations in the downtown corridor and other commercial areas. Encourage WSDOT to explore alternatives to abandoning the Pullman-to-Colfax and the Pullman-to-Fallon railroad corridors, most particularly as that relates to the continued existence of the railbanked Bill Chipman Trail.
5. In recognition of the importance of Pullman Regional Hospital to the City, work closely with the hospital in support of its Community Health 2020 Campaign in addressing the broad health needs of the community and the impacts of the Affordable Care Act, including any and all state funding that can contribute to that effort. Support increased funding for physician residency training programs in eastern Washington, recognize the importance of planning for elder care, and support community paramedicine endeavors in the community.
6. Continue to evaluate our information systems to meet the demands of technology. Consider promoting programs and successes using social media, taking into account Public Records Act implications. Incorporate feedback strategies to evaluate how useful and friendly the website is for our citizens. Promote the website through notices with utility bills and otherwise.
7. Continue efforts to fund and construct the Welcome Park on Davis Way. Continue to promote the value of our community's diversity. Support ways to increase understanding of our City's unique groups.

8. Complete the update of the City's ADA Transition Plan and present it for public review. At the completion of that review period, develop a final document. Pursue the recommendations in the final plan as funding and resources allow. Continue to support the development of Mary's Park and the inclusion of accessible playground equipment and other ADA features to the extent practicable.
9. Start the process of placing a bond issue on the 2017 November General Election ballot to replace the expiring 2007 Proposition 1 voter-approved bond.
10. Pursue next step options for promoting the South Bypass to become a reality.
