

JOB ANNOUNCEMENT

DATE: June 12, 2010

POSITION OPEN: Resident Airport Rescue Firefighter

CLOSING DATE: Until Filled

The Pullman-Moscow Regional Airport is accepting applications for part-time Resident Airport Rescue Firefighter. The position requires residing at the airport fire station with two other firefighters. Rent is provided in exchange for duties performed and duty hours are paid at \$8.55/hour. Training is provided and is dependent on individual qualifications. At a minimum applicants will be required to attend 40 hours of local training and a live fire exercise at an FAA designated facility. Qualifications include: valid driver's license, ability to understand written and oral instructions in English, to work and live with others in close quarters, to handle heavy loads and to work in confined areas. Individuals with structural firefighting experience and/or strong judgment skills are preferred. Candidate must be able to successfully pass a fingerprint-based criminal history records check. Preference will be given to individuals with previous Airport rescue and firefighting experience and who hold a current EMT certificate. Applications are available at Pullman City Hall, 325 S.E. Paradise, Pullman, WA 99163. <http://www.pullman-wa.gov> Closing Date: Until Filled. E.O.E.
