

# Teen Breakaway Activities

The Breakaway programs are the best of the best - our favorite programs from previous years and the programs students have requested again and again! These are the programs that are designed so you can gather a group of your friends together and head out on an adventure. The programs listed in the Breakaway section are open to teens currently in grades 6th-11th. All activities require a Medical Release Form. Parent and/or guardian must sign one at time of registration. Our most popular activities fill up quickly, so sign up early!

## Splash Down Water Park

Summer is right around the corner, are you ready? Blast down a four story zoomin' flume with the "Cannon Bowl" or ride down the "Spokane Falls" four, 400 ft body slides. Try out the other attractions of "Fast Ball", "Big Squirt", the all new "Splashketball", "Water Wars", and more! Bring dry clothes, a water bottle, along with money for any other attractions, and snacks/meals at the Barefoot Grill and Petey's Surf, Sweet Shop, or bring your own lunch. We will leave Pullman at 10:00am-return to Pullman around 7:00pm. What a great way to start your summer vacation! Fee includes transportation, supervision, and admission to the water park.

Location: Spokane Valley, WA  
 Tu .....Jun 29..... 10:00am-7:00pm ...\$35

## Salmon River Rafting For Teens

Parks & Recreation invites all teens to join us for a day of whitewater excitement with Salmon River Experience. These specially priced adventures are designed with youth in mind (water toys, games, snacks, and playful guides). Whitewater is an excellent medium for increasing personal attributes of trust, confidence, responsibility and self-esteem. Bring snacks, a change of clothes, lots of sunscreen, and money for dinner. Complete recommended gear list will be provided at time of registration. The group will leave the Pioneer Center at 6:30am-return around 8:00pm. **Registration closes one week prior and fees are non-refundable after that time.**

## Additional Activities for Teens!

### Safe Kids

This new program is a fun and entertaining way for your children to learn valuable skills about safety. The class is focused on preventing common household, playground, and traffic injuries. Kids will also learn about choking and minor first aid. Your child will learn how to stay safe: at home (in bathroom, kitchen, and around poison); on the playground (safe play, equipment, and sharing); and travel (in cars, walking, biking, and on the school bus) including going to shopping mall and the library.

### Babysitting Basics

This course will emphasize emergency care and accident prevention. Particular attention will be given to the hazards that could occur at each stage of child development. Child and infant CPR will be taught. This course will include a pretest, final exam, course evaluation, and an entertainment box. Participants will also learn how to negotiate contracts and conduct themselves ethically, reliably, and responsibly. Upon conclusion of this course, participants will receive a certificate of completion. Course booklet and handouts are included. Bring a sack lunch. Please pick-up a homework assignment at time of registration.
