

# ***Pullman Parks & Recreation*** ***2010 CO-ED VOLLEYBALL TEAM PACKET***

## **PHILOSOPHY**

Pullman Parks and Recreation provides this activity for those who enjoy volleyball and are interested in participating on an organized level. This is a recreation program and good sportsmanship is expected from those who participate.

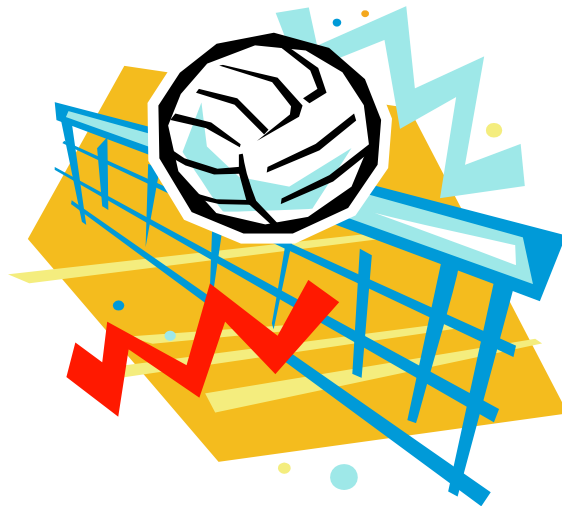

If enough teams register, an "A" and "B" league will be offered. The "A" league offers a higher caliber of play while the "B" league is more "recreational". The rules are the same, although calls will not be as strictly enforced. Participants are eligible to sign up for only one league, "A" or "B" league.
