Thank You!

As our school year comes to a close, we would like to thank all of our children, parents, and families for a fun and productive year of learning.

The amount of support and feedback we received from you is invaluable. We truly feel we have the best families in Pullman! Thank you.

With graduation for the Pre-K students quickly approaching, the children have been busy learning their songs. To the children who will be leaving us this year, we will miss you all. We have enjoyed spending time with you and watching you grow! For those students registering for the 2017/16 preschool, please be sure to complete and return the annual information update and include a current immunization record.

Birthdays

We will be celebrating May birthdays on **May 4 & 5**. June and summer birthdays will be **June 8 & 9**. Please put their name down on the birthday sheet by the sign-in sheet.

Parent/Teacher Conferences

We will be finishing up conferences this month. If you would like an end-of-the-year conference please see Ms. Jean now if you haven't already. **Remember:** if you miss your scheduled time, we will not reschedule but will send your child's paperwork home. Conferences are 25 minutes long and optional.

Graduation!

This ceremony is only for the children who will be leaving our program to attend Kindergarten next year. **Graduation will be held June 2 at 6:00pm in the Pioneer Center Gym.** Announcements will be sent home as graduation approaches. It is important that children be dropped off in the classroom no later than 5:40pm so we can fit them with their caps and sashes. Parents can then proceed to the gym where our ceremony will take place. Join us afterwards in the Barley Room for cake!

Curriculum Corner

This month our theme is **How I Have Grown**. We will be comparing the children's growth academically, physically, emotionally, and socially from the beginning of the year to now. Our goal for the children this month is for them to begin to demonstrate knowledge of relationships between
