April Showers...

Our school year is very nearly over! We have a little over two months of preschool left, and we are looking forward to making the best of each and every day that remains.

This month is going to be filled with hands-on activities! The children will be coloring grocery bags which are handed out at local stores on Earth Day, April 21. We will also take walks around the neighborhood and clean up litter along the sidewalks. Please dress your children in comfortable clothes and sturdy walking shoes.

April is the month when many preschools and childcare centers in Pullman celebrate the Week of the Young Child. We will be celebrating with a school spirit week April 16-20.

*...Bring May
Flowers*

Parent/Teacher Conferences

Conferences for younger children will be offered in May.

April Birthdays

We will be celebrating April birthdays on April 12-13

Spirit Week: April 16-20

Monday: Picnic in a park

Tuesday: Pool day—water safety

Wednesday: Sports/Recreation

Thursday: School Spirit

Friday: Pullman Pride

May/June Tuition

Our May/June session will be combined as we only have two weeks of preschool in June. You may pay in two installments if you make arrangements with the office.

Curriculum Corner

This month, we will be finishing up the alphabet. Our theme is **“The Earth and I.”** We will discuss the importance of taking care of the earth and simple ways we all can make a difference. We hope the children will gain an understanding of being stewards of the earth. Our goal this month is for the children to demonstrate awareness of the relationship between humans and the environment. We will try and accomplish this through planning our garden, neighborhood walks, trash pickup, and a recycling drive. We will collect items at school to deposit in the truck when it visits our school at the end of the month.
