Almost 4.5 million people are bitten by dogs in this country each year. Of those, roughly half are children. The good news is that this issue can be largely prevented through training and education.

The Pullman Police Department offers a dog safety program **free of charge** to any school or group within the city who would like to learn more about being safe around dogs.

If your school or group is interested in learning more about this new program contact Code Enforcement Officer Sharon Schnebly at the Pullman Police Department: 509-334-0802 or [sharon.schnebly@pullman-wa.gov](mailto:sharon.schnebly@pullman-wa.gov)
