

News Release

For immediate release: May 13, 2020

Contact: Troy Henderson, Director of Public Health, 509-397-6280 – Bill Tensfeld, Director of Emergency Management, 509-397-5605

Whitman County remains at a total of 16 positive COVID-19 test results. All 16 positive patients have recovered.

Whitman County has had no new COVID-19 positive test results since April 22, 2020 and so has submitted a waiver to enter into Phase 2 of the Washington State's Safe Start Recovery Plan. The waiver is currently awaiting approval by the Washington State Secretary of Health.

The Whitman County Health Department regularly updates their Facebook page with helpful information regarding personal protection and the status of county health operations.

Future Whitman County press releases will be as needed.
