PULLMAN TRANSIT TO ADJUST SERVICE LEVELS THROUGH SAT. MAY 9th, 2020  

PULLMAN – In response to recent reductions in ridership, and in order to continue providing essential transit services yet support Governor Inslee’s recent “Stay Home, Stay Healthy” Proclamation, Pullman Transit will make the following service changes effective Wednesday, April 1st:

- The Crimson Express route will continue to operate with one less bus, at 30 minute frequencies;
- The Gray Express route will continue to operate with one less bus, at 30 minute frequencies,
- The Coffee Route will be discontinued, as its stops and travel paths are duplicated by the Silver Route;
- The Coug A Express route will continue to operate, but the Coug B Express route will be discontinued, as the majority of its stops and travel path are duplicated by other routes;

Services that will remain unchanged include the Blue, Silver, Paradise, Loop, Coug A, Wheat and Lentil routes. Weekend services will also remain unchanged.

Beginning on Sunday, May 10th, summer Community Service will begin as scheduled, with service available from 6:30am to 6:45pm.
