Pullman Transit would like to thank everyone for their patience and understanding as we attempt to keep riders and employees safe during this challenging time.

SPRING 2021 **TEMPORARY** SERVICE LEVELS

January 17th - May 7th

Guidelines and Ridership Rules

- ** Ridership will be limited to 10 riders per bus. Pullman Transit will block off seats to promote social distancing. Please sit in designated seating only.
- ** No standing on the bus to allow for the limited capacity and social distancing.
- ** Masks are required to ride Pullman Transit. Masks and hand sanitizer are available on the bus. If you need a mask, please ask your driver.
- ** Please stay behind the second white line, 6 feet away from the driver.
- ** Please exit the bus using the rear door unless you need the ramp, kneeler, or priority seating. If you need to use the ramp or for the bus to be lowered for access or your safety, please wait at front door and ask your driver.
- ** Pullman Transit has temporarily discontinued fare payments to minimize the handling of currency and transactions at the front door.
- ** Stay home if you are sick
- ** Cover your cough or sneeze.
- ** Pullman Transit will utilize the Tripper bus concept, when available, to accommodate passengers left behind during peak ridership times.

Tips to help plan your commute:

- 1) **Plan ahead and give plenty of extra time to get to and from your destination.**
- 2) **Consider alternative commute options such as biking and walking.**
