Any such employee shall pay an amount of money equivalent to regular Guild dues to a nonreligious charity mutually agreed upon by the employee affected and the Guild.
- 1.04 Failure to Comply. An employee who is required to maintain membership in good standing and fails to do so and an employee who is required to pay a service fee and fails to do so under the provisions of this Article, shall be terminated upon notice of such fact in writing from the Guild to the Employer. Termination of such an employee shall become effective within thirty (30) days from the date the Employer received the notice, unless the employee has remedied the delinquency within said thirty (30) day period provided that the habitual failure to timely pay dues, service fees or charitable contributions shall, upon the request of the Guild, result in the discharge of the offending employee.

8.078 Seniority and Shift Bidding.

The purpose of this Section is to define seniority among uniformed personnel of the same rank for purposes other than layoffs. This Section is intended to primarily address considerations for shift bidding and officer in charge of a patrol shift. This Section does not preclude a shift Sergeant from picking a designated Shift OIC.

In keeping with past determinations of seniority by policy and contract, the seniority order of Officers already OIC qualified is listed below and considered "grandfathered" for any future changes. This list was compiled based on the prior application of PPD policies 2.17, and 2.18. The intention of the list is to prevent arbitrary changes or "jumping" of one officer by another that would be contrary to past practice.

Seniority List Based on OIC Qualified Dates as 1st Class Patrol Officer:

Scott Patrick	- Before 1998
Greg Umbright	- Before 1998
Mike Sontgerath	- Before 1998
Ruben Harris	- Nov 2001
Matt Burkett	- Nov 2001
Aaron Breshears	- Jan 2002
Mike Crow	- Jan 2002
Carl Bell	- July 2004
Don Heroff	- April 2005
Scott Kirk	- Feb 2007
Brock Germer	- March 2008
Heidi Lambley	- May 2008
Doug Anderson	- Feb 2009
Todd Dow	- Oct 2009
Wade Winegardner	- March 2010
Chris Engle	- April 2011

Future determinations of seniority will be by the date at which an Officer is promoted to Police Officer 1st Class, in keeping with the past practice of the Pullman Police Department.

An employee accumulating more than forty-eight (48) hours of compensatory time shall be paid for all time in excess of forty-eight (48) hours monthly.

For purposes of overtime pay for employees who are not exempt under the FLSA, the regular hourly rate shall be calculated by multiplying the monthly salary (which includes shift differential, specialty, assignment, OIC pay, and educational incentive pay) by twelve (12) months in a year and then dividing this figure by the product of fifty-two (52) weeks in the year times forty (40) hours in the average work week.

The officer may use the floating holidays with the Chief's permission, or bank them and be paid-out one (1) time per year. The employee shall also have a holiday on any day so declared by the Mayor of Pullman.

10.02 In no case shall the number of holidays taken and the number of holidays paid exceed eleven (11) days per year, unless as provided in 10.01.

Requests for such paid leaves are first come, first served, and, in the event requested at the same time, decided by seniority.

11.03 An employee shall be allowed to accumulate a maximum of thirty (30) days vacation time.

11.04 In the event an employee's request for vacation is denied by the Chief of Police due to the exigencies of the Service and cannot be rescheduled during the following one hundred and twenty (120) days, said employee shall be paid in lieu of vacation for the days in excess of the accrual limit.

(The Chief of Police may waive this requirement for extended periods.) Inappropriate use of sick leave may be cause for discipline.

13.04 It shall be the employee's responsibility to not overdraw his/her accumulated sick leave. When an employee exceeds his/her accrued sick leave hours, the employee shall take leave without pay. The Chief, or designee, may require a doctor's

verification. If the employee needs to take time in excess of three (3) days per occurrence, the employee may request to deduct accrued annual leave hours.

If an employee exceeds his/her accrued sick and annual leave, those excess hours shall be unpaid. At this point, the employee shall be required to submit a request for a leave of absence. If this request is either not made by the employee or is denied, the employee may be subject to appropriate disciplinary action.

When an employee incurs leave without pay, the gross pay for that employee for that month shall be determined by subtracting from that employee's regular gross pay, including any incentive pay, an amount calculated as the number of hours of leave without pay multiplied by that employee's hourly rate per the collective bargaining agreement multiplied by 1 (one) plus any incentive pay expressed in decimal form.

For example, for an employee with a monthly derivative salary of \$6,530 and a 4% educational incentive who has 4 (four) hours of leave without pay during the month, the monthly gross pay is calculated as:

$$\begin{array}{r} (\$6,530 \times 1.04) - (4 \text{ hours} \times \$37.67 \times 1.04) = \\ \underline{\$6,791.20} \quad - \quad \underline{\$156.71} \quad = \quad \underline{\$6,634.49} \end{array}$$

13.05 The parties agree that the Police Chief or his/her designee may require an employee to undergo a fitness-for-duty medical examination if the Chief finds reasonable cause exists. Any such medical examination shall be at City expense and the employee shall be compensated for the exam time involved. The City agrees that it shall comply with features of the Americans With Disabilities Act in administering this provision.

ARTICLE 14 - FAMILY & MEDICAL LEAVE ACT

The federal FMLA of 1993, and amendments, provides up to twelve (12) weeks of unpaid, job-protected leave every twelve months to eligible employees for any of the following reasons:

14.01 To care for a child after birth, or placement in the home due to adoption or foster care. Leave to care for a child after birth or placement for adoption or foster care must be concluded within 12 months of the birth or placement.

14.02 To care for a spouse, parent, parent-in-law, grandparent, or child with a serious health condition or as required by law.

14.03 The employee's own serious health condition which prevents him/her from performing the essential job functions of the position.

For purposes of calculating leave eligibility, the twelve (12)-month period is a rolling twelve (12)-month period measured backwards from the date an employee first uses any FMLA leave.

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves hospitalization or continuing treatment by a health care provider. The term "serious health condition" is intended to cover conditions or illnesses affecting one's health to the extent that inpatient care is required, or absences are necessary on a recurring basis or for more than a few days for treatment or recovery. When inpatient care is not involved, the regulations require that the absence from work, or from school or incapacity in performing other daily activities in the case of a family member, be for a period of more than three (3) days in addition to requiring the continuing treatment by a health care provider.

14.04 Intermittent Leave. Under some circumstances, FMLA leave may be taken intermittently, e.g., either in small blocks of time, or as a partial reduction in normal daily or weekly work hours. FMLA leave may be taken intermittently if medically necessary because of a serious health condition. If FMLA leave is for birth or placement for adoption or foster care, use of intermittent leave is subject to approval by the department head and City Supervisor.

14.05 Notice of FMLA Leave. When an employee uses leave for a purpose for which FMLA leave is available, the City will designate the leave as counting against his/her FMLA leave allowance by providing written notice to the employee within three (3) days of the use of the leave. In cases where the employee has been absent three or more days due to an illness or injury, the supervisor, Police Chief, or designee should notify the Human Resources Department. The supervisor, Police Chief, or designee is responsible for notifying the City when an employee is using leave for a reason covered by the FMLA so their leave may be properly assigned.

14.06 The employee may elect to use any paid or earned leaves during the FMLA leave period. Paid leaves must be used prior to leave without pay.

ARTICLE 15 - LEOFF II WORKERS' COMPENSATION/STATE INDUSTRIAL

15.01 Regular or trial part-time and full-time employees who sustain an on-the-job injury or illness or must be absent from work due to an incident for which they are eligible to receive coverage from the Washington State Department of Labor and Industries shall mark "SI" on their timesheets for those days or hours missed. During the period between the time an employee files a claim and the time L & I makes a determination of covered eligibility, the employee may use accrued sick leave or any paid leave (if eligible), in any order, to cover the initial time loss until these resources are exhausted. If L & I makes a determination that the claim is valid and provides

coverage back to the date of the incident, the sick leave or any paid leave expended may be credited back to the employee's leave balance. Credit to the employee's leave balance may only occur if the employee reimburses the City the payment received from L & I for this initial time period. Reimbursement must be made by the employee within three (3) business days of receiving payment from L & I.

15.02 If L & I denies the claim, the sick leave or other paid leave expended shall not be credited back to the employee's leave balance. If the employee has no accrued sick leave or other paid leave, he/she shall be placed on leave without pay.

15.03 Once L & I determines eligibility and the initial period of coverage has been rectified from an accounting perspective, the employee may select one (1) of the following options:

- A. The employee may be placed on Leave-Without-Pay Status and receive L & I's Workers' Compensation payment while on injury leave. If the employee elects this option, then any leave charged the employee for time loss before L & I's determination, shall be credited back to the employee's leave balance as noted above in Section 15.01.
- B. The employee may continue to receive full salary (including premium pay being received at the time of injury or illness) and benefits until such time as the employee exhausts all accrued sick and other paid leaves provided that:
 - 1. The employee has a positive leave balance. The difference between L & I's payment and the employee's salary shall be charged to the employee's sick leave and/or other paid leave as designated by the employee.
 - 2. The employee repays the City the amount covered by Workers' Compensation within three (3) business days of receiving payment from L & I. Failure to reimburse the City may result in legal action by the state for dual compensation and/or disciplinary action by the employer.
 - 3. Once the employee exhausts all accrued paid leaves, then he/she shall be placed on Leave-Without-Pay Status and shall only draw Workers' Compensation from L & I.

15.04 The maximum period of coverage that any employee may receive under this benefit is six (6) calendar months from the date of the incident. After the six (6)-month period if the employee is unable to perform the essential functions of the job, with or without a reasonable accommodation, the employee may be terminated from the workforce. Reinstatement shall be in compliance with Chapter 41.26 RCW.

ARTICLE 16 - UNIFORMS AND EQUIPMENT

16.01 For any employee required to wear uniforms of a type specified by the Employer, the Employer shall furnish and provide major repair for two (2) complete summer and two (2) complete winter uniforms, including necessary foul weather gear, excluding personal items such as underwear, stockings, and shoes. The Employer will repair or replace any items of personal clothing damaged because of the performance of duty.

Employees shall be responsible for the cleaning and minor maintenance of uniforms. The Employer in turn shall provide fifty-two (52) complete uniform cleanings per officer per year.

The parties agree to continue negotiations on new uniforms using findings of the uniform committee.

16.02 The Employer shall furnish employees with batons, lights, handcuffs with holder, handguns, belts, holsters, other leather goods, and other specialized equipment as determined by the Chief or designee to be necessary from time-to-time. Current Police Officers, who have furnished these items at their own expense, may have these items replaced on a graduated basis during the life of the contract. The Employer shall repair or replace items of equipment rendered unserviceable in the conduct of duty.

16.03 The department authorized handgun is a semi-automatic pistol chambered for the 9MM (9 millimeter) caliber. A semi-automatic pistol of either double action or single action is authorized.

The department issued handgun is the Glock Model 17, 9MM caliber pistol with "Tritium" type night sights with a total of three (3) magazines. Only department authorized and issued ammunition will be used in authorized or issued weapons.

16.04 Vests. In compliance with WISHA Regional Directive (WRD) 32.00, the City of Pullman will furnish each regular full-time commissioned officer with a soft body armor ballistic vest, as "personal protective equipment" (PPE) meeting the requirements of WAC 296-24-07501.

The PPE vest must meet configuration specifications for fit and coverage as defined in the state bid specifications at the time of purchase. The PPE must be certified by the manufacturer to meet the National Institute of Justice Standards (NIJ STD) for the duty ammunition.

PPE vest will be replaced prior to the expiration of their certification period, or 5 years of use, whichever is first.

The City and the Guild agree that the standard vest issued to Pullman Police Officers shall be equivalent to a level IIIA certified PPE vest, with two carriers.

Officers working in positions that do not require a uniform will be issued a vest carrier that may be worn over their clothing.

The City and the Guild recognize that individual police officers may elect to purchase, or already own, a PPE vest from a vendor of their choice. If the officer elects to purchase a vest which differs from the department issue PPE vest, the officer shall provide the Chief of Police with written documentation that the PPE vest selected will meet the specifications for ballistic performance and fit (as defined above). The City shall then arrange for the purchase and issue of the Optional PPE vest selected.

The City and the Guild agree that all PPE vests purchased under this agreement shall become City-owned equipment. The City and the Guild recognize that individual police officers may wish to purchase an "Optional PPE Vest." The City agrees to handle the purchase of the vest, after the officer provides the Chief of Police with written documentation that the selected PPE vest will meet the above specifications for ballistic performance and fit. The officer will reimburse the City for the difference between the cost of the department issued vest and the cost of the optional vest.

Should the officer leave the service of the Pullman Police Department, the officer may purchase his/her PPE vest from the City on a pro-rate basis. The cost to the officer will be the cost of the individual vest prorated over the life of the vest, for the months remaining in the vest's certification period.

16.05 Boot Allowance. Each officer will receive two hundred dollars (\$200) every other year for the purchase of footwear. Purchased footwear must comply with current Department Policy.

ARTICLE 17 - PREVAILING RIGHTS

17.01 The Guild agrees that the management and operation of the Department are that of the Employer unless otherwise provided by the terms of this Agreement.

17.02 The Employer agrees that any and all working conditions, wages, hours, and monetary benefits not covered by this Agreement shall be maintained at not less than the highest standards in effect previous to the time of signing of this Agreement.

17.03 No conditions, rights, or privileges of either party are affected unless specifically mentioned in this Agreement.

17.04 Confidentiality

A. The parties recognize the importance of maintaining the confidentiality of information and documents that constitute confidential police department

information. At the same time, the parties recognize that the Guild must be able to discuss with the Guild's attorney matters of concern and obtain legal advice from the Guild's attorneys. The parties recognize that these two principles may at time be in conflict and the parties will work together to resolve any disputes that arise in a manner consistent with maintaining harmonious labor relations.

- B. As such, it is agreed that Guild representatives and members, when necessary and in order to obtain legal advice on matters relating to wages, hours and working conditions, related to the Guild and/or Guild members, may divulge to the Guild's attorneys such otherwise confidential information. Guild representatives will make sure that the Guild's attorneys understand that the information provided is confidential and the information may not be disclosed to third parties other than the City except as required by law. In such situations, the City will respect the attorney-client relationship between the Guild and the Guild's attorneys, as protected by law.
- C. Furthermore, it is agreed that the City will not interfere with Guild activity related to the Guild's attorney-client relationship, to the extent protected by RCW 41.56 and/or attorney-client privilege, and the City will not order Guild representatives and members to divulge Guild attorney-client information, to the extent protected by RCW 41.56 and/or attorney-client privilege, nor threaten disciplinary action for failure to do so.

ARTICLE 18 - CONTRACTING OUT

18.01 The Guild recognizes the right of the Employer to contract out work. The Employer agrees that it will bargain with the Guild, concerning the decision to contract and the impact of such decisions.

ARTICLE 19 - HEALTH INSURANCE

19.01 In exchange for maintaining full insurance coverage, Guild employees will take an active part in participating in City Wellness programs and activities.

19.02 For the term of this Agreement, the City agrees to continue to provide the status quo life insurance policy to all employees, with the premiums paid one hundred percent (100%) by the City.

19.03 For the term of this Agreement, the City will provide and pay the premiums for long-term disability (LTD) insurance with a ninety (90) day elimination period and a 60% salary continuation payment through the AWC (Standard Insurance Co.) for each employee (except LEOFF I employees who are covered for disability through a state provided program).

19.04 The City retains the right to choose and change the providers of the health care and life insurance benefits, so long as the level of benefits remains equivalent to or better than those benefits that were provided by the above-indicated plans on the date of entry of this Agreement.

19.05 The premium costs paid by the City for the insurance plans named above will be based on established AWC rates.

19.06 The City will provide and offer only the high deductible health plan (HDHP) from Association of Washington Cities (AWC). A summary of the plan design and benefits of the high deductible health plan from AWC is attached as Attachment G. A summary of the dental plan offered is attached as Attachment H. A summary of the vision plan offered is attached as Attachment I.

19.06.01 For the term of this Agreement, any and all high deductible health plan (HDHP) insurance premiums will be one hundred percent (100%) paid by the City for employees and their dependents.

19.06.02 For the term of this Agreement, dental and vision coverage insurance premiums will be one hundred percent (100%) paid by the City for employees and their dependents.

19.07

19.07.01 For the term of this Agreement, for all employees represented by the Guild, the City will fund a Health Savings Account (HSA) by a monthly contribution of either \$200.00 for single employee or \$400.00 for employee with one (1) or more dependents.

The City shall electronically make the HSA funds available. The monthly HSA payments to represented employees shall be electronically distributed to the HSA bank on the fifth working day of the month as long as this date is no later than the 7th calendar day of the month, barring exigent circumstances (i.e., computer network problems).

If the City fails to make HSA funds available to the HSA Bank on the fifth working day of the month as long as this date is no later than the seventh calendar day of the month, and that failure is not due to exigent circumstances (i.e., computer network problems) or any failure on the part of the HSA Bank (e.g., HSA Bank fails to pull the funds), then the City will make affected PPOG members whole by making the failed HSA contribution to HSA Bank within three business days of City's receipt of notice of the funding failure and interest will be awarded on the amount of the failed HSA contribution equal to the interest rate set forth in RCW 4.56.115 (currently 2.478%).

19.07.02 For the term of this Agreement, the employee's HSA account funds can be drawn down by the employee for any lawful health care expense payments

submitted by the employee for payment during the applicable health insurance plan year.

19.08 For the term of this Agreement, except for LEOFF 1 employees, individuals that choose to be insured under a medical plan as a dependent (i.e. insured via a spouse's medical insurance plan), upon providing proof of said insurance coverage, can elect to receive a \$500 per month City paid contribution into a Voluntary Employee Benefit Association (VEBA) account in lieu of enrolling in the City's medical insurance coverage program.

Dental and vision premium coverage provided and paid in full by the City at 100% for employees and dependents continues whether or not an employee is enrolled in the City provided medical plan or "opts out" of medical plan coverage. Current or future employees can only "opt out" of medical coverage during the yearly open enrollment period, or for a new employee at the time of initial employment and health insurance enrollment. It is also agreed by the parties that once an employee has made their "opt out" decision, they are bound by that decision until the next open enrollment period that is applicable to the employee or proof of loss of other coverage.

ARTICLE 20 - DRUG AND ALCOHOL TESTING POLICY AND PROCEDURES

20.01 Policy: In recognition and compliance with the Federal Drug-Free Workplace Act, and other applicable federal statutes, the Employer and the Guild are committed to a drug-free workplace and have an obligation to insure public safety and trust with regard to their services and programs. Accordingly, the manufacture, distribution, dispensation, unlawful possession, or use of a controlled substance or drug not medically authorized which would impair job performance or pose a hazard to the safety and welfare of the employee, the public, or other employees; or the use of alcohol in the workplace is strictly prohibited. It is the goal of this policy to prevent, eliminate, or absolve illegal drug usage through education and rehabilitation of the affected personnel.

20.02 Informing Employees About Drug and Alcohol Testing: All employees shall be fully informed of the Employer's drug and alcohol testing policy. Employees will be provided with information concerning the impact of the use of alcohol and drugs on job performance. In addition, the Employer shall inform the employees on how tests are conducted, what the test can determine, and the consequences of testing positive for drug use. All newly hired employees will be provided with this information on their initial date of hire. No employee shall be tested before this information is provided to him/her. Employees who voluntarily come forward and ask for assistance to deal with a drug and/or alcohol problem shall not be disciplined by the Employer. No disciplinary action will be taken against an employee unless he/she refuses the opportunity for rehabilitation, fails to complete the program

successfully, or again tests positive for drugs within two (2) years of completing an appropriate rehabilitation program.

20.03 Employee Testing: Employees shall not be subjected to random medical testing involving urine analysis or other similar or related tests for the purpose of discovering possible drug or alcohol abuse. If, however, objective evidence exists establishing reasonable suspicion to believe an employee's work performance is impaired due to drug or alcohol abuse, the Employer will require the employee to undergo a medical test consistent with the conditions as set forth in this policy.

20.04 Sample Collection: The collection and testing of the samples shall be performed only by a laboratory and by a physician or health care professional qualified and authorized to administer and determine the meaning of any test results. The laboratory performing the test shall be one that is certified by the Substance Abuse and Mental Health Services Administration (SAMHSA). The laboratory chosen must be agreed to between the Guild and the Employer. The laboratory used shall also be one whose procedures are periodically tested by SAMHSA where they analyze unknown samples sent to an independent party. The results of the employee tests shall be made available to the Medical Review Physician.

Collection of urine samples shall be conducted in a manner which provides the highest degree of security for the sample and freedom from adulteration. Recognized strict chain of custody procedures must be followed for all samples as set by SAMHSA. The Guild and the Employer agree that security of the biological urine and blood samples is an absolute necessity; therefore, the Employer agrees that if the security of the sample is compromised in any way, any positive test result shall be invalid and may not be used for any purpose.

Urine samples will be submitted as per SAMHSA standards. Employees have the right for Guild and/or legal counsel representation to be present during the submission of the sample. Employees shall not be witnessed while submitting a urine specimen. Prior to submitting a blood or urine sample, the employee will be required to sign a consent and release form.

A split sample shall be reserved in all cases for an independent analysis in the event of a positive test result. All samples must be stored in a scientifically acceptable preserved manner as established by SAMHSA. All positive confirmed samples and related paperwork must be retained by the laboratory for at least six (6) months or for the duration of any grievance, disciplinary action or legal proceedings, whichever is longer. At the conclusion of this period, the paperwork and specimen shall be destroyed. Tests shall be conducted in such a manner that an employee's legal drug use and diet does not affect the test results.

20.05 Drug Testing: The laboratory shall test for only the substances and within the limits as follows for the initial and confirmation tests as provided within SAMHSA standards. The initial test shall use an immunoassay which meets the requirements

of the Food and Drug Administration for commercial distribution. The following initial cutoff levels shall be used when screening specimens to determine whether they are negative for these five drugs or classes of drugs.

INITIAL TESTING

Marijuana metabolites	100 ng/ml
Cocaine metabolites	300 ng/ml
Opiate metabolites (1)	300 ng/ml
Phencyclidine	25 ng/ml
Amphetamines	1,000 ng/ml

(1) If immunoassay is specific for free morphine, the initial test level is 25 ng/ml.

If initial testing results are negative, testing shall be discontinued, all samples destroyed and records of the testing expunged from the employee's file(s). Only specimens identified as positive on the initial test shall be confirmed using gas chromatograph/mass spectrometry (GC/MS) techniques at the following listed cutoff values:

CONFIRMATORY TESTING

Marijuana metabolites (1)	15 ng/ml
Cocaine metabolites (2)	150 ng/ml

Opiates

a. Morphine	300 ng/ml
b. Codeine	300 ng/ml
Phencyclidine	25 ng/ml

Amphetamines

a. Amphetamine	500 ng/ml
b. Methamphetamine	500 ng/ml

(1) Delta-9-tetrahydrocannabinol-9-carboxylic acid

(2) Benzoylcegonine

If confirmatory testing results are negative, all samples shall be destroyed and records of the testing expunged from the employee's file(s).

20.06 Alcohol Testing: A breathalyzer or similar equipment shall be used to screen alcohol use if positive, shall be confirmed by a blood alcohol test performed by a qualified laboratory. This screening test shall be performed by an individual qualified through the Washington State Police Academy utilizing equipment certified by the State Patrol. An initial positive result on an alcohol test shall meet the standards as set forth in the Revised Code of Washington (RCW) 46.61.502. If initial testing is negative, testing shall be discontinued, all samples destroyed, and

records of the testing expunged from the employee's file(s). Only specimens identified as positive on the initial test shall be confirmed using a blood alcohol level. Sampling handling procedures, as described in section 20.04, shall apply. A positive blood alcohol level shall meet the standards as set forth in the Revised Code of Washington (RCW) 46.61.502. If confirmatory testing results are negative, all samples shall be expunged from the employee's file(s).

20.07 Medical Review Physician: The Medical Review Physician shall be chosen and agreed upon between the Guild and the Employer and must be a licensed physician with a knowledge of substance abuse disorders. The Medical Review Physician shall be familiar with the characteristics of the test (sensitivity, specificity, and predictive value), the laboratories running the tests and the medical conditions and work exposures of the employees.

The role of the Medical Review Physician will be to review and interpret the positive test results. He/She must examine alternate medical explanations for any positive test results. This action shall include conducting a medical interview with the affected employee, review of the employee's medical history and review of any other relevant biomedical factors. The Medical Review Physician must review all medical records made available by the tested employee when a positive test could have resulted from legally prescribed medication.

20.08 Laboratory Results: The laboratory will advise only the employee and the Medical Review Physician of any positive results. The results of a positive drug or alcohol test can only be released to the Employer by the Medical Review Physician once he/she has completed his/her review and analysis of the laboratory's test. The Employer will be required to keep the results confidential and it shall not be released to the general public.

20.09 Testing Program Costs: The Employer shall pay for all costs involving drug and alcohol testing as well as the expenses involved for the Medical Review Physician. The Employer shall also reimburse each employee for their time and expenses incurred, including travel, involving the testing procedure only.

20.10 Rehabilitation Costs: Any employee who tests positive for illegal drugs or alcohol shall be medically evaluated, counseled, and treated for rehabilitation as recommended by an E.A.P. counselor. Employees who complete a rehabilitation program may be re-tested randomly once every quarter for the following twenty-four (24) month period. An employee may voluntarily enter rehabilitation without a requirement of prior testing. Employees who enter the program on their own initiative shall not be subject to re-testing. The treatment and rehabilitation shall be paid for by the employee's medical insurance program. Employees who volunteer to enter the program and those who test positive shall be allowed to use any and all accrued and earned leave for the necessary time off involved in rehabilitation.

If an employee re-tests positive during the twenty-four (24) month period, the employee will be re-evaluated by an E.A.P. counselor to determine if an employee requires additional counseling and/or treatment. The employee will be solely responsible for any costs not covered by insurance, which arise from this additional counseling or treatment.

20.11 Duty Assignment After Treatment: Once an employee successfully completes rehabilitation, he/she shall be returned to his/her regular duty assignment. Once treatment and any follow-up care is completed, and three (3) years have passed since the employee entered the program, the employee's personnel file(s) shall be purged of any such reference to his/her drug or alcohol problem.

20.12 Right of Appeal: The employee has the right to challenge the results of the drug or alcohol tests and any discipline imposed in the same manner he/she may grieve any other Employer action.

20.13 Guild Held Harmless: This drug and alcohol testing program was initiated at the request of the Employer. The Employer assumes the sole responsibility for the administration of this policy and shall be solely liable for any legal obligations and costs arising out of the provisions and/or application of the Collective Bargaining Agreement relating to drug and alcohol testing. The Guild shall be held harmless for the violation of any worker rights arising from the administration of the drug and alcohol testing program.

20.14 Changes in Testing Procedures: The Parties recognize that during the life of this Agreement, there may be improvements in the technology of testing procedures which provide more accurate testing. In that event, the parties will bargain in good faith whether to amend this procedure to include such improvements. If the parties are unable to agree on the amendments they will be submitted to impasse procedures as outlined in RCW 41.56.

20.15 Conflict With Other Laws: This Article in no way intends to supersede or waive any constitutional or other rights that an employee may be entitled to under federal, state or local statutes.

ARTICLE 21 – TRAFFIC COLLISION REVIEW BOARD (TCRB)

21.01 The Chief of Police may choose to refer motor vehicle collisions involving on-duty Pullman Police personnel to a Traffic Collision Review Board (TCRB). The TCRB shall consist of an officer with traffic experience, the Commander or the Chief's designee (who shall chair the Board), and one (1) member to be appointed by the Pullman Police Officer's Guild. None of the TCRB members shall have been actively involved in the investigation of the collision or the collision.

21.02 The TCRB's mission is that of "fact finding". The TCRB must interview the involved officer. In addition, the TCRB will review all aspects of the collision including:

- < Circumstances surrounding the collision including weather and road conditions, vehicle condition and other environmental issues relating to the collision and the nature of the call or response;
- < The involved employee's physical and mental condition at the time of the collision;
- < The involved employee's prior training and driving experience.

21.03 The TCRB shall determine if the collision was "chargeable." Chargeable does not mean the involved person was in violation of a traffic law but the term includes:

- < Driver negligence - Negligence or violation of traffic laws which caused the collision;
- < Driver error - a result in an error in judgment, failure to use due care and caution, or failure to adhere to training; or,
- < Violation of a traffic law.

21.04 The TCRB shall determine if the collision was "not chargeable." Not chargeable may include instances in which violations of policy occurred but were justified because of unique circumstances.

21.05 If the incident is "chargeable" then the Police Chief shall determine the appropriate course of action. If the incident is "not chargeable" then the Police Chief shall not take disciplinary sanctions against the involved person.

ARTICLE 22 - PHYSICAL FITNESS

22.01 Both the Employer and the Guild agree that an appropriate level of health and physical fitness is vital to the employees' personal well-being and to the safe and efficient performance of duties.

22.02 All employees should maintain a level of physical fitness which will allow them to perform normal duties. If there is reasonable cause to believe that an employee is unable to perform normal duties due to a health or physical fitness condition, he/she may be required to submit to a physician's examination at the Employer's expense, and bring his/her health or fitness level to an acceptable standard.

22.03 The parties agree that if a physical fitness program is implemented, the current general health and fitness level of members requires assessment. These assessments and determinations should be made by a qualified expert such as an exercise physiologist or physician.

22.04 The parties mutually agree that to implement such a program requires careful study to determine both program features and reasonable standards. Each party to this

agreement shall provide two members to this committee who shall develop and recommend to the Guild and the Employer an acceptable physical fitness program.

ARTICLE 23 - BEREAVEMENT LEAVE

23.01 An employee shall be granted three (3) days off to attend to funeral/memorial arrangements for or attend the funeral/memorial of any immediate family member without loss of pay or benefits. Immediate family shall be defined as mother, father, brother, sister, spouse, domestic partner as defined by law, children, or step-children which are living in the employee's home, spouse's mother and father, step-parents, and grandparents on both sides of the family. If additional time is needed to attend to funeral arrangements, estate administration, or whenever distant travel is involved, up to five (5) additional days of duty time may be taken, using any of an employee's designated accrued paid leaves, upon approval of the Chief of Police. Such additional time will be granted unless emergency staffing conditions necessitate the employee's presence.

ARTICLE 24 - DISCIPLINE PROCEDURES

24.01 Employees can be disciplined only for just cause. Forms of discipline include, but are not limited to: written reprimand, suspension, disciplinary demotion, and discharge. Discipline will normally be progressive, however any level of discipline may be imposed based on the totality of circumstances and just cause.

24.02 Inquiry: An inquiry is based on the reasonable belief by a police sergeant or the Police Chief or designee that the action or non-action alleged will not lead to disciplinary action. An inquiry is a search for specific facts and circumstances surrounding alleged action or non-action on the part of an employee. A clear notification will be provided to the employee of the applicability of section 24.02

1. Inquiries include field conciliation or mediation. Field conciliation or mediation is the lowest level of complaint usually involving an explanation of departmental or legal policy or procedure. Field conciliation or mediation will be handled by a sergeant without the required presence or involvement of the involved employee. In any event the involved employee shall be advised of the field conciliation or mediation as soon as practical.
2. An inquiry may also include Incident/Administrative Review. Incident /Administrative Review is based upon information that reasonably leads a sergeant, the Police Chief or designee to believe a more in-depth inquiry than a field conciliation or mediation is warranted and presence and involvement of the involved employee is required.
3. An inquiry may result in documentation in an employee's next performance evaluation or may result in written supervisory counseling. Performance evaluations or written supervisory counseling are not discipline. These are less

formal means of resolving issues related to daily operations or conflicts. Written supervisory counseling may serve as evidence for future disciplines. Written supervisory counseling will not be placed in an employee's personnel file in City Human Resources; however the document will be maintained in the police department personnel file for one (1) year from the date of occurrence. If conduct of a similar nature does not occur within any subsequent one-year period then the document shall be destroyed.

4. Nothing in this Article shall be construed to prevent or prohibit a sergeant or the Police Chief or designee from discussing operational matters informally with employees.

24.03 Internal Investigation: An internal investigation is a search for specific facts and circumstances which involve reasonable cause to believe serious violations of policy, procedure, criminal conduct or other serious misconduct has occurred and action or non action alleged could lead to disciplinary action.

The types of complaints that may lead to internal investigations include primary, secondary and third party. Primary complaints are those that are received directly by persons who believe they have been the subject to misconduct from an employee. Secondary complaints are from persons who have witnessed or have knowledge of alleged misconduct from an employee including staff of the police department. Third party complaints are from a person or persons acting on behalf of a complainant or organization such as an attorney or advocacy group.

24.04 Notification of Internal Investigations. The employee that is the focus of the investigation and not merely a witness shall be informed in writing of the nature of the investigation, including enough specificity to inform the employee as to the facts that resulted in the initiation of an internal investigation and the potential rules, regulations, policies, or law that may have allegedly been violated and the potential maximum level of discipline being considered. At no time will the employee in an official or unofficial capacity knowingly contact any witness or complainant while he/she is the focus of an internal investigation. Nevertheless, the employee recognizes the employee's and the guild's right to investigate under the PECBA. Any employee subject to an internal affairs investigation interview shall be given a minimum of forty-eight (48) hours written notice prior to any interview. This written notice shall be provided to both the employee and a current Guild executive board member.

24.05 Interviews: The interview of the employee that is the focus of the investigation shall not violate the employee's constitutional rights. The interview or interrogation shall take place at the Police Department, except when impractical. The employee shall be afforded an opportunity and facilities to contact and consult privately with an attorney of his/her own choosing and/or a representative from the Guild for a reasonable period of time before being interviewed. An official representative of the Guild may be present during the interview to serve as counsel for the employee.

The employer shall provide written notice to the employee that Guild representation is permitted. This notice shall be included with the notice of interview provided in 24.04.

- 24.06 An interview of an employee that is the focus of the investigation shall be when the employee is on duty unless the exigencies of the investigation or inquiry dictate otherwise or by mutual agreement of the parties. Interviews can be recorded by either the City or Guild, regardless of consent of any party. Any party recording the interview shall provide the other party a copy of the recording if requested. Upon such request, a copy of the recording will be provided within five (5) days, or as mutually agreed upon. Any recordings are considered work product for the purposes of litigation and shall be held in confidence by both parties.
- 24.07 The interview of an employee that is the focus of the investigation shall not be overly long, and the employee shall be entitled to such reasonable intermissions as he/she shall request for personal necessities, meals, telephone calls, and rest periods.
- 24.08 The employee that is the focus of the investigation shall not be subjected to any abusive language, nor shall he/she be threatened with dismissal, demotion, or other disciplinary punishment as a guise to attempt to obtain his/her resignation, nor shall he/she be intimidated or threatened in any other manner. No promises or rewards shall be made as an inducement to answer questions.
- 24.09 The employee that is the focus of the investigation shall be required to answer any questions involving non-criminal matters under investigation and shall be afforded all rights and privileges to which they are entitled under the laws of the State of Washington or the United States. Employees compelled to answer questions by the employer shall be provided with a written "Garrity" warning.
- 24.10 All interviews shall be limited in scope to the activities, circumstances, events, conduct or acts which pertain to the incident which is the subject of the internal investigation. Nothing in this Agreement shall prohibit the employer from questioning the employee that is the focus of the investigation about information which is developed during the course of the interview.
- 24.11 Any employee covered by this Agreement shall not be required to take any polygraph (i.e. lie detector) or similar tests.
- 24.12 Pre-disciplinary hearing/Loudermill: The Chief of Police shall provide a "Notice of Intent to Discipline" to the employee that is the focus of the investigation and the Guild. The "Notice of Intent" to Discipline shall include the relative facts and conclusions of the investigation, the specific violations of the Pullman Police Department Policies and Procedures and the disciplinary action contemplated and a complete copy of the entire investigation. Prior to the imposition of any discipline, the Guild and the employee that is the focus of the investigation shall be given the

opportunity to meet with the Chief of Police and shall be given the opportunity to provide additional evidence or mitigating circumstances related to the investigation as it pertains to the discipline proposed.

24.13 From the time of notice of an internal investigation the City has ninety (90) days to complete the investigation and provide the employee that is the focus of the investigation and the Guild with a notice of intent to discipline or notice that no discipline will be imposed unless:

There is a delay, beyond the control of the City, in processing of evidence related to the investigation; or,

the employee that is the focus of the investigation refuses to cooperate and such refusal materially affects the ability to complete the investigation in a timely manner; or,

the employee that is the focus of the investigation is unavailable for interview; or

an extension to such timeline is mutually agreed by the City and the Guild.

24.14 When the investigation results in discipline imposed by the City:

The employee being disciplined and the Guild will be given an official written notice of discipline imposed including a summary of the facts, the policy violations or misconduct that occurred and an explanation of the discipline imposed.

The employee or Guild representative, upon request, shall be furnished a copy of investigative materials not previously provided.

24.15 The Guild and an employee who is subject to any discipline may only seek appeal of discipline through the appeal and/or grievance procedures set forth in the Collective Bargaining Agreement. The Guild and each employee represented by the Guild knowingly agree and knowingly waive their right to process discipline appeals through the Civil Service Commission.

24.16 Any punitive sanction(s) shall become a part of the employee's personnel file for no more than one (1) year from the occurrence of the incident, except those punitive sanctions for misconduct involving intentional excessive force, theft, and misconduct which would in the state of Washington constitute a felony, in which case the punitive sanction shall become a part of the employee's personnel file for no more than three (3) years from the occurrence of the incident. At the end of these periods, if the conduct that led to the punitive sanction(s) has not been repeated by the employee, said documentation will be removed from their personnel file and maintained in a separate file in order to satisfy archival requirements, but will not be usable for future disciplinary action. The employer has the affirmative duty to remove the expired matters from the personnel file.

24.17 The Employer will not be able to use expired punitive actions, or allegations not sustained and/or unfounded allegations for future justifications for punitive sanctions, performance evaluations, future prospective employers, advancement, promotions, etc.

24.18 At the conclusion of the investigation, the employee shall be provided a timely written determination as to the outcome of the investigation.

ARTICLE 25 - STRIKES

25.01 The Guild agrees there shall be no strikes, slowdowns, stoppage of work, or any interference with the efficient management of the Department. Should a strike, slowdown, boycott or other interruption of work occur, the Employer shall notify the Guild of the existence of such activity and request advice from the Guild as to whether the activity has been authorized. The Guild immediately thereafter shall respond to the Employer's request in writing.

25.02 Upon receiving notice of strike, slowdown, boycott, or other interruption of work which it has not authorized, the Guild will take all reasonable steps to terminate such activity and induce the employees concerned to return to work.

25.03 In the event employees participate in a strike, slowdown, boycott or other interruption of work in violation of this article, the participating employee(s) shall be subject to disciplinary action, which may include discharge.

ARTICLE 26 - GRIEVANCE PROCEDURE

26.01 Scope of Grievance Procedure - The purpose of this Grievance Procedure is to establish effective machinery for the fair, expeditious, and orderly adjustment of grievances. Only matters involving the interpretation, application, or enforcement of the express terms of this Agreement shall constitute a grievance. Longstanding conditions which have been mutually accepted through past practice and which are not specifically addressed in this Labor Agreement shall not be subject to the Grievance Procedure.

26.02 Either the Guild or the Employer may process grievances against the other to allege violations and enforce the party's respective rights. Guild or Employer grievances shall enter the procedure at Step 4 and subject to all application time limits, other provisions, and to mediation/arbitration.

26.03 Steps.

Step 1. The aggrieved employee, or representative, shall meet with the Supervisor within the prescribed time limits, and orally discuss the grievance. The Supervisor

shall make a decision and orally communicate this to the aggrieved employee within ten (10) business days from the initial presentation of the grievance. Every effort shall be made by the employee and the Supervisor to resolve the grievance at this level.

Step 2. If the grievance is not resolved at Step 1, the aggrieved employee shall submit a written grievance to the Supervisor within ten (10) business days following the oral response. The written grievance at this step and at all steps thereafter, shall contain the following information:

- (1) a statement of the grievance and the facts upon which it is based;
- (2) the alleged violation of the Agreement;
- (3) the remedy or adjustment sought; and
- (4) the signature of the aggrieved employee.

The Supervisor shall respond in writing to this grievance within ten (10) business days of its receipt. The written response at this step, and management responses at all steps thereafter, shall contain the following information:

- (1) an affirmation or denial of the facts upon which the grievance is based;
- (2) an analysis of the alleged violation of the Agreement;
- (3) the remedy or adjustment, if any to be made; and
- (4) the signature of the appropriate management representative.

Step 3. If the grievance is not resolved at Step 2, the aggrieved employee shall submit the grievance to the Chief within ten (10) business days following the Supervisor's written response. The Chief shall respond in writing to this grievance within ten (10) business days of its receipt. The requirement in Step 2 for written grievances and responses shall not preclude the aggrieved employee and the appropriate management representative from orally discussing and resolving the grievance.

Step 4. If the grievance is not resolved at Step 3, the aggrieved employee shall submit the grievance to the City Supervisor within ten (10) business days following the Chief's written response. The City Supervisor shall respond in writing to this grievance within ten (10) business days of its receipt.

Guild grievances shall be submitted to the City Supervisor. Management grievances shall be submitted to the Guild. Either Guild or Management grievances shall be submitted within ten (10) calendar days of the occurrence prompting the grievance and shall be answered within ten (10) business days. Guild and Management grievances shall be subject to expedited mediation/arbitration and other provisions in Step 5.

Step 5. If the grievance has not been resolved at Step 4, the Guild or Management may refer the dispute to Expedited Mediation/Arbitration as provided below. The

Guild shall notify the Employer in writing of submission to Expedited Mediation/Arbitration within ten (10) business days after receipt of the City Supervisor's written response at Step 4.

26.04 Panel Of Standing Mediator/Arbiters

The parties agree to the establishment of a panel of five (5) standing mediator/arbiters to hear and resolve all contract disputes. They are: Phil Kienast, Timothy Williams, Gary Axon, ~~Janet Gaunt~~Eric Lindauer, or ~~Fred Rosenberry~~Ken Latsch.

Either party may unilaterally remove a mediator/arbiter at any time as long as there is no dispute pending at the time. Mediator/Arbiter panel vacancies shall be filled by mutual agreement.

The panel member assigned to a grievance shall meet without delay with the parties and the grievant and attempt to mediate/conciliate the dispute. If an agreement is reached, it shall be reduced to writing, shall be signed by each of the above parties, including the grievant, and shall be final and binding.

If, after a concerted effort, a single mediation meeting does not procedure a settlement, the mediator/arbiter shall immediately convene an informal arbitration hearing. Witnesses, evidence and exhibits shall be kept to a minimum and the rules of evidence shall not apply.

The mediator/arbiter shall, on the same date of the hearing, provide a written "bench award" as a binding settlement of the grievance.

The mediator/arbiter shall not have the power to add to, subtract from, or modify the provisions of this Agreement in arriving at a decision of the issue or issues presented; and shall confine his/her decision solely to the interpretation, application, or enforcement of this Agreement. The mediator/arbiter shall confine himself/herself to the precise issue submitted for arbitration, and shall have no authority to determine any other issues not so submitted to him/her. The decision of the mediator/arbiter shall be final and binding upon the aggrieved employee, Guild, and Employer.

The Employer and the Guild shall share equally the fees and expenses of the mediator/arbiter.

Either party has the right to have a representative represent them at any step of the grievance procedure.

26.05 The following grievance principles shall govern and be controlling in any and all grievances:

- A. While the grievant may be “made whole”, any punitive award shall be void and unenforceable.
 - B. Unless agreed otherwise, only one grievance will be heard at a time by an arbiter.
 - C. Either party may, thirty (30) days or more prior to the date set for mediation/arbitration, by notice to the other take the grievance out of the mediation/arbitration bench award process. In that event, the grievance will proceed as a formal arbitration, subject to the usual rules and procedures.
- 26.06 A. Upon mutual agreement, in writing by the Guild and the City and at the conclusion of the evidentiary portion of the arbitration, the parties may agree to oral closing arguments in lieu of written closing briefs.
- B. If the parties mutually agree to oral closing arguments, the parties may also mutually agree, in writing to have the arbitrator issue an oral bench decision. The oral bench decision shall be recorded and transcribed by the parties as the formal record of the arbitration. The arbitrator shall issue their oral bench decision within a reasonable time after the conclusion of the arbitration hearing but within at least two (2) hours of the conclusion of the arbitration hearing.

Examples of such functions include, but are not limited to, the following: firearms instructor, defensive tactics instructor, EVOC instructor, DRE instructor.

- B. Mandatory Training means training that the City requires and the employee is directed to attend a particular session. Work day means any shift within a twenty-four (24)-hour period.

With regard to mandatory training, the City will first attempt to schedule mandatory training on an employee's regular work day taking into consideration all employees affected by the training.

If mandatory training cannot be scheduled on an employee's regular work day, the City may change an employee's regular day(s) off to accommodate mandatory training subject to the following conditions:

1. The mandatory training must involve an out-of-department instructor or location outside of the City;
2. The mandatory training is scheduled for four (4) or more hours including travel time;
3. Notice to the employee is in writing (including e-mail) no less than twenty-one (21) calendar days in advance of the change;

If twenty-one (21) calendar days written notice is not given, OT/comp time will be paid pursuant to the CBA unless the employee voluntarily requests a changed schedule.

With twenty-one (21) calendar days written notice the City may adjust an employee's regular day(s) off for mandatory training so long as:

1. An employee is assigned to work no more than five (5) consecutive work days; and,
2. An employee has at least two (2) consecutive days off; and,
3. To accomplish numbers 1 and 2 above, the City may either change an employee's track or assign paid administrative day(s) off as long as any assigned paid administrative day(s) off are assigned in conjunction with another scheduled day off or another paid administrative day off.

The City shall have the right to temporarily suspend this schedule and return to the 8-hour Patrol Officer work shifts in the event of an unforeseen staffing shortage and/or an emergency if declared by the City. The schedule will revert back to the 9-hour Patrol Officer work schedule, in this Agreement, upon the conclusion of the staffing shortage and/or emergency.

- 2) **Hours of Work:** Article 8 (Hours of Work) of the City of Pullman Police Officers' Guild bargaining agreement is hereby modified. ~~Effective May 1st, 2009,~~ Patrol Officers will work 4 consecutive 9 hour long shifts followed by 2 consecutive days off, then work 4 consecutive 9 hour long shifts and 1 – 8 hour long shift followed by 3 consecutive days off (See Section 5 for exceptions). Only for the purpose of shift rotations, the following supplemental provisions and exceptions apply:

- a. The Guild, employee, and City will agree to adjust work schedules for the Monday through Sunday work week immediately prior to the rotation change and for the two-week Monday through Sunday work period immediately after the rotation change to ensure the employee is scheduled to work 80 hours in the two-week work periods immediately prior to and immediately after the rotation change, with two consecutive days off after any four or five consecutive work days and not less than eight hours off between shifts.
 - b. To ensure not less than eight hours off between shifts during shift rotation change, the City may adjust individual shifts that are immediately before or after the shift rotation change with two weeks' advanced notice to the employee consistent with past practice.
 - c. Shift rotations will take place on the first day of the first full two-week work period following the first of the months of January, May, and September.
 - d. The parties will discuss and attempt to resolve circumstances surrounding shift rotations that are not covered in this subsection.
- 6) **Seniority Bidding and Work Assignments:** The shift bid process will be utilized taking into consideration the special needs of the employee and the needs of the department. The Chief of Police has discretion to modify a shift or schedule for an employee for exceptional circumstances.

Patrol Officers and Sergeants will bid their desired shift by seniority through a sign up sheet. Once assigned to a shift, the shift Sergeants will assign tracks based on seniority and department need. This is the same process that has been used in past practice.

Adjustments of shift assignment and days off may be made upon two weeks' notice to the employee, except for training which is 21 days' three weeks' notice as according to MOU (Appendix 2 to Pullman Police Department Collective Bargaining Agreement) under Article 27.02. Such adjustments may be made to accommodate the department or employees. Such adjustments shall not negatively or unreasonably affect the ability of the department to carry out its functions.

- 7) **Overtime:** Article 9 (Overtime and Callback) of the City of Pullman/Pullman Police Officers' Guild bargaining agreement is hereby modified. Any time worked in

excess of 9 hours during a 9-hour workday will be compensated at 1.5 times the normal hourly rate. Any time worked in excess of 8 hours during an 8-hour workday will be compensated at 1.5 times the normal hourly rate. Any work in excess of 80 hours in a 14-day cycle will be compensated at 1.5 times the hourly rate. For the purposes of this MOU, paid leave counts as hours worked. Nothing in this MOU is intended to change previously established overtime compensation for call back on regular workdays or call back on regular days off.

- 8) **Sick Leave.** Per Article 13 (Sick Leave) of the City of Pullman/Pullman Police Officers' Guild bargaining agreement accrual rates will remain unchanged.

The parties agree that under the terms of the agreement circumstances may arise which are not specifically covered. In such instances the collective bargaining agreement will take precedent. The parties also mutually agree to discuss and attempt to resolve conflicts arising from execution of this agreement.

~~The signing of this agreement indicated acknowledgement of the terms of this Memorandum of Understanding.~~

~~**Upon the expiration of this Agreement, unless extended in writing, the hours of work and overtime language will revert to that in effect in 2008-2011 CBA, Article 8 and 9.~~

~~This agreement expires on December 31, 2016.~~

~~The purpose of this Agreement between the City of Pullman and the Pullman Police Officers' Guild is to effectuate a correction to the current hours of work for Special Operations Group (SOG Detective, SOG Sergeant and SRO/DARE) personnel. Pursuant to the 9 hour Patrol MOA, Patrol Officers and Patrol Sergeants currently working a nine (9) hour work schedule on a trial basis through December 2011. Special Operations Group personnel, to include the Special Operations Group Sergeant, are currently working either a 5/8 work schedule (5 consecutive work days of 8 consecutive hours of work, followed by 2 consecutive days off) or a 4/10 work schedule (4/10 work schedule (4 consecutive work days of 10 consecutive hours of work, followed by 3 consecutive days off). The 5/8 work schedule has regular consecutive work days of Monday through Friday, and the 4/10 work schedule has regular consecutive work days of either Tuesday through Friday or Monday through Thursday.~~

~~Pursuant to this Agreement the work schedules available to employees of the SOG will be the current 5/8 work schedule (as set forth above), a 9 hour work schedule (See attached) or the current 4/10 work schedule (as set forth above). The hours of work will include dayshift hours, which will start at 7 am, 7:30 am, 8:30 am, or 9 am, and then work the consecutive number of hours according to their work schedule (8, 9, or 10 hours) to accommodate "normal" business hours and "normal" school hours. SOG employees will have a one half (1/2) hour paid lunch break and will be subject to call back. Pursuant to this agreement, the FLSA work period for SOG employees is a fourteen (14) day work period of eighty (80) hours.~~

~~The specific schedule and hours of work for the SOG Sergeant will be determined by mutual agreement between the SOG Sergeant and the Commander. The specific schedule and hour of work for the other SOG employees will be determined by mutual agreement between the SOG Sergeant and the affected employee. If a mutual agreement cannot be reached, the Commander and SOG Sergeant will make the final determination, respectively. A copy of the agreed upon specific schedule and hours of work for the SOG Sergeant and the agreed upon schedule and work hours for SOG employees will be contemporaneously provided to the Guild President.~~

~~With mutual agreement between the SOG employee and the Chief or his designee a flexible work schedule may be worked by a SOG employee. With mutual agreement, a~~

~~flexible work schedule may vary the regular starting and stopping times on a daily basis. The agreed upon flexible work schedule will be equal to eighty (80) hours worked during the work period. SOG employees shall receive overtime or compensatory time for the hours worked in excess of eighty (80) hours in the work period.~~

~~Effective May 1, 2011, work hours for one of the Detective assignments may be revised to allow for a "swing shift" schedule. The swing shift schedule may be any of the schedules described above, determined as described above, with hours of work no later than 0200 hours.~~

~~This agreement shall remain in effect through December 31, 2011.~~

~~The parties agree that under the terms of this Agreement circumstances may arise which are not specifically covered by this Agreement. In such instances the current collective bargaining agreement between the parties will take precedent and control. The parties also mutually agree to discuss and attempt to resolve any future conflicts arising from the execution of this Agreement.~~

Association of Washington Cities HDHP HSA Qualified Medical Plan

Coverage Period: 01/01/2017 - 12/31/2017
Coverage for: Individual & Eligible Family | Plan Type: PPO

Summary of Benefits and Coverage: What this Plan Covers & What it Costs

This is only a summary. If you want more detail about your coverage and costs, you can get the complete terms in the policy or plan document at asuris.com or by calling 1 (866) 240-9580. (Note: the Uniform Glossary can be accessed at: www.cciio.cms.gov.)

Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u> ?	\$1,500 single / \$3,000 family per calendar year. Doesn't apply to certain preventive care or certain preventive medications. Amounts in excess of the <u>allowed amount</u> do not count toward the <u>deductible</u> .	Single: You must pay all the costs up to the single <u>deductible</u> amount before this plan begins to pay for covered services you use. Family: Claimants collectively must pay all the costs up to the family <u>deductible</u> amount before this plan begins to pay for any claimant's covered services. Check your policy or plan document to see when the <u>deductible</u> starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the <u>deductible</u> .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services, but see the chart starting on page 2 for other costs for services this plan covers.
Is there an <u>out-of-pocket limit</u> on my expenses?	Yes. \$5,000 single / \$10,000 family* per calendar year. *A claimant on family coverage will not have his or her <u>out-of-pocket limit</u> exceed \$5,000.	The <u>out-of-pocket limit</u> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Does this plan use a <u>network of providers</u> ?	Yes. See asuris.com / Preferred or call 1 (866) 240-9580 for lists of <u>preferred</u> or participating <u>providers</u> .	If you use an in-network doctor or other health care <u>provider</u> , this plan will pay some or all of the costs of covered services. Be aware, your in-network doctor or hospital may use an out-of-network <u>provider</u> for some services. Plans use the term in-network, <u>preferred</u> , or participating for <u>providers</u> in their <u>network</u> . See the chart starting on page 2 for how this plan pays different kinds of <u>providers</u> .
Do I need a referral to see a <u>specialist</u> ?	No. You don't need a referral to see a <u>specialist</u> .	You can see the <u>specialist</u> you choose without permission from this plan.
Are there services this plan doesn't cover?	Yes.	Some of the services this plan doesn't cover are listed on page 5. See your policy or plan document for additional information about <u>excluded services</u> .

Questions: Call 1 (866) 240-9580 or visit us at asuris.com.

If you aren't clear about any of the underlined terms used in this form, see the Glossary.

You can view the Glossary at www.cciio.cms.gov or call 1 (866) 240-9580 to request a copy.

- **Copayments** are fixed dollar amounts (for example, \$15) you pay for covered health care, usually when you receive the service.
- **Coinsurance** is *your* share of the costs of a covered service, calculated as a percent of the **allowed amount** for the service. For example, if the plan's **allowed amount** for an overnight hospital stay is \$1,000, your **coinsurance** payment of 20% would be \$200. This may change if you haven't met your **deductible**.
- The amount the plan pays for covered services is based on the **allowed amount**. If an out-of-network **provider** charges more than the **allowed amount**, you may have to pay the difference. For example, if an out-of-network hospital charges \$1,500 for an overnight stay and the **allowed amount** is \$1,000, you may have to pay the \$500 difference. (This is called **balance billing**.)
- This plan may encourage you to use participating **providers** by charging you lower **deductibles**, **copayments** and **coinsurance** amounts.

Does this Coverage Provide Minimum Essential Coverage?

The Affordable Care Act requires most people to have health care coverage that qualifies as “minimum essential coverage.” **This plan or policy does provide minimum essential coverage.**

Does this Coverage Meet the Minimum Value Standard?

In order for certain types of health coverage (for example, individually purchased insurance or job-based coverage) to qualify as minimum essential coverage, the plan must pay, on average, at least 60 percent of allowed charges for covered services. This is called the “minimum value standard.” **This health coverage does meet the minimum value standard for the benefits it provides.**

About these Coverage Examples:

These examples show how this plan might cover medical care in given situations. Use these examples to see, in general, how much financial protection a sample patient might get if they are covered under different plans.

This is not a cost estimator.

Don't use these examples to estimate your actual costs under this plan. The actual care you receive will be different from these examples, and the cost of that care will also be different.

See the next page for important information about these examples.

Questions and answers about the Coverage Examples:

What are some of the assumptions behind the Coverage Examples?

- Costs don't include **premiums**.
- Sample care costs are based on national averages supplied by the U.S. Department of Health and Human Services, and aren't specific to a particular geographic area or health plan.
- The patient's condition was not an excluded or preexisting condition.
- All services and treatments started and ended in the same coverage period.
- There are no other medical expenses for any member covered under this plan.
- Out-of-pocket expenses are based only on treating the condition in the example.
- The patient received all care from in-network **providers**. If the patient had received care from out-of-network **providers**, costs would have been higher.

What does a Coverage Example show?

For each treatment situation, the Coverage Example helps you see how **deductibles**, **copayments**, and **coinsurance** can add up. It also helps you see what expenses might be left up to you to pay because the service or treatment isn't covered or payment is limited.

Does the Coverage Example predict my own care needs?

Yes. Treatments shown are just examples. The care you would receive for this condition could be different based on your doctor's advice, your age, how serious your condition is, and many other factors.

Does the Coverage Example predict my future expenses?

No. Coverage Examples are **not** cost estimators. You can't use the examples to estimate costs for an actual condition. They are for comparative purposes only. Your own costs will be different depending on the care you receive, the prices your **providers** charge, and the reimbursement your health plan allows.

Can I use Coverage Examples to compare plans?

Yes. When you look at the Summary of Benefits and Coverage for other plans, you'll find the same Coverage Examples. When you compare plans, check the "Patient Pays" box in each example. The smaller that number, the more coverage the plan provides.

Are there other costs I should consider when comparing plans?

Yes. An important cost is the **premium** you pay. Generally, the lower your **premium**, the more you'll pay in out-of-pocket costs, such as **copayments**, **deductibles**, and **coinsurance**. You should also consider contributions to accounts such as health savings accounts (HSAs), flexible spending arrangements (FSAs) or health reimbursement accounts (HRAs) that help you pay out-of-pocket expenses.

**DENTAL CARRIER - WASHINGTON DENTAL SERVICE
INFORMATION ABOUT YOUR DENTAL CARRIER**

Washington Dental Service is the most popular dental carrier in the state of Washington, covering over 1½ million (1,600,000) people. Washington Dental Service is a not-for-profit Health Service Organization with a specific contract with over 90% of the dentists in Washington.

SPECIFIC CONTRACT WITH EACH MEMBER DENTIST

Washington Dental Service has a contract with each Member Dentist. The Washington Dental Service Member Dentist Contract Guarantees:

- ☺ **Payments to Your Dentist Are Based on the Dentist's Actual Charge** - A payment arrangement is made with each Member Dentist based on the fee he charges for your treatment.
- ☺ **No Claim Forms** - Each Member Dentist has agreed to submit claim forms to Washington Dental Service for you.
- ☺ **No Advance Charges** - The Member Dentist agrees that he won't require you to pre-pay the portion of your bill that is Washington Dental Service's responsibility to pay. He also agrees that he will not charge you interest or service charges on Washington Dental Service's portion of the bill.
- ☺ **No Additional Charge** - for infection control - some dentists are now giving their patient two bills, one for actual treatment and one for infection control. The Washington Dental Service contract does not allow the dentist to charge a patient separately for infection control. If you get such a bill call Washington Dental Service.

You are not limited to visiting a Member Dentist however. You may visit any dentist, anywhere in or outside the state of Washington. Your personnel office has been provided with a list of Member Dentists if you would like to see if your dentist is a member, or you may locate a member dentist by accessing our on-line dental directory, located on our internet web site at <http://www.deltadentalwa.com>.

HOW TO USE YOUR PROGRAM

If you visit a Member Dentist, simply give your dentist your social security number, your employer's name, and your program number. Your program number is 231.

Should you visit a non-Member Dentist, obtain a claim form from your personnel office. Have your dentist complete the form, submit the form to Washington Dental Service, and Washington Dental Service will reimburse you directly. You should be aware that Washington Dental Service has no control over non-Member Dentist charges or billing procedures.

THE INCENTIVE PLAN

Your dental plan is an incentive plan which means that if you visit the dentist during the Benefit Year (January 1 to December 31), 70% of covered benefits are paid. This advances 10% yearly (on January 1) - providing you use the program at least once each Benefit Year, to a maximum of 100%. Failure to use the program once each Benefit Year causes your level to drop by 10% below the last level of payment, but never below the original 70%. Each Eligible Employee and each Eligible Dependent create their own percentage point level. Percentage point levels do not affect the established constant 50% payment level for the cost of allowable prosthetics (dentures and bridges).

ALL EXISTING EMPLOYEES AND THEIR DEPENDENTS WILL ENTER THE INCENTIVE PROCESS AT THEIR CURRENT LEVEL FOR CLASS I AND II BENEFITS

BASE PLAN DESIGN - INCENTIVE

The Plan pays:

- Class I 70 - 100% - Exams, Cleanings, X-Rays, Fluoride to age 19, Sealants on permanent molars to age 15, Fluoride Varnish to age 19 or for caries active adults, and Periodontal Maintenance may be covered up to once every three months for serious problems.

- Ortho 50% - Dependent child with a 1,000 lifetime maximum.

ANNUAL MAXIMUM: \$2,000 per person per contract period. **ANNUAL DEDUCTIBLE:** \$25 deductible.
The deductible:

BENEFIT YEAR: January 1 through December 31.
• does ~~not~~ apply to exams, x-rays, cleaning and other Class I benefits;
• applies only once per person per year; and has a three family member maximum.
